

# **Newsletter - September 2020**

We would like to welcome you to our September newsletter.

A lot has changed around here in the last few months, the pandemic has redefined the way we work and how we live our lives. While the spread of COVID-19 brings loss, fear and uncertainty, it also reminds us that some of the most treasurable aspects of our lives are also the most fundamental elements: family & friends, nature and good health.

Little Lionhearts Nursery School staff and management team value our parent partnership relationships. Our door is always open, should you need an update on your child's development or general enquiries. We are more than happy to help and offer support.

We are pleased to inform our parents that our nursery school is now returning to normal, moreover, we have made a few improvements since July. We hope you will enjoy reading this month's newsletter and we look forward to seeing you and your child soon in the new term.

### **New Reception Space**

We have completed the building work to refurbish the nursery school's main reception. Now parents can enjoy our bright and secure reception space when picking up and dropping off your child.

Adhering to our safeguarding policy, we kindly ask parents not to hold open entrance doors to the nursery. The nursery has now adapted access security on both the main and inner entrance doors, please do not under any circumstances hold the doors open or open the door to anyone you do not recognise. Little Lionhearts Nursery School would like to thank you in advance for your cooperation.

### **Nursery Management Team**

#### Nursery Manager - Frankiie Joseph

Hi everyone, my name is Frankiie. I am the nursery manager and I have been in childcare for 12 years. I absolutely adore children and take pride in providing a homely, nurturing environment where children feel emotionally and physically safe. I have a Ba Hons Degree in Early Childhood Studies and also hold an English Qualified Teacher status.

I am passionate about my role in supporting children and families, and have the utmost regard for children's safeguarding and wellbeing. I believe every child is a unique child; therefore all children's individual needs and abilities should be supported and valued to ensure they reach their full potential.

'A good start is the best start!'

### **Covid-19 Update**

We are keeping to the government's latest guidelines to keep our children safe. While you can be assured that every care has been taken by the nursery school management and staff, we would also like to ask our parents to help us by doing the following:

- ★ Do not travel to Covid-19 restricted areas, if you or your child has traveled to any government restricted areas, we would ask you to not bring your child to the nursery school for 7 days.
- ★ Follow government's advice on international travel and quarantine guidelines.
- ★ Always use the hand sanitizers provided at the nursery school's reception, supporting us in daily temperature checks.

#### **Phones and Camera**

We kindly ask parents to adhere to our phones and cameras policy whilst in the yellow and red zone of the nursery.

In the **yellow zone (hallway, garden, etc.)**, we ask you to put away your phone either in your pockets or your handbag. Please do not answer calls or use your phone in this area.

In the red zone (children's rooms), phones and cameras will need to be left at a secure place.

Moreover, please note smoking is prohibited on all nursery premises including the exterior.

### **Friendly Reminders**

- ★ Please remember to pack a sufficient amount of labelled spare clothes and place them in your child's cubby hole
- ★ Please bring a labelled bag for your child's dirty clothes
- ★ Your childcare Invoice is generated on 15th of each month, Direct Debit payment will be taken on the 25th. If you have any questions about your invoice please contact us before 25th.
